

NOTICE TO PINE STREET HOMEOWNERS

FROM

GIBBS & REGISTER, INC.

4/25/13

I am sure you have all noticed that construction has resumed with the ultimate plan to complete the new paving on or about Friday, 5/3/13.

Our tentative schedule is as follows:

- 1) Grade for driveways: Tuesday, 4/30/13 and Wednesday, 5/1/13
- 2) Pave Driveway Turnouts: Thursday, 5/2/13 and Friday, 5/3/13
- 3) Cold mix paving of roadway: Wednesday, 5/7/13 and Thursday, 5/8/13

We are asking that the homeowners refrain from driving on the new cold mix pavement for a period of 24 hours after placement.

We are also asking the homeowners shut off their sprinkler systems for a period of 48 hours prior to the cold mix placement up to 48 hours after the cold mix placement.

If you have questions, you are welcome to call me at our office – 407-654-6133 or email me at jgibbs@gibbsandregister.com. You can also reach our superintendent, Doug Thomas, at 407-948-1337.

As we get closer to our paving dates, we will update this memo for you.

Thank you for your understanding and cooperation,

John Gibbs,

Project Manager
