Dear Town of Windermere Residents:

The notice you received in the mail was sent to you regarding the collection of solid waste, garbage and recycling services was just to inform you of the process. This notice is required by the Florida State Legislature.

Solid waste, garbage and recycling fees will be collected as non ad valorem assessments by Orange County Tax Collector, which will be placed on your annual real estate property tax bill as it has in the past few years. Nothing has changed.

You do not need to pay the town directly for these services. I apologize for any confusion this notice may have caused you.

If you have questions, please feel free to contact me at the number listed above.

Thank you for your assistance.

Kind regards,

A handwritten signature in blue ink that reads "Nora White".
