ADDENDUM NO. 2

BID NO. 2017-05 – FIRST AVENUE AND FOREST STREET DRAINAGE IMPROVEMENTS

January 10, 2018

To All Bidders:

This Addendum becomes hereby an integral part of the bid package under consideration by you as a respondent. The Town of Windermere deems all sealed bids to have been proffered in recognition of the entire bid package, including all issued Addenda.

This Addendum is being posted on the Town's Website and other procurement sources and also sent to any Vendor via fax or e-mail, if so requested. Should you have any questions pertaining to this Addendum, please contact Michael Galura, P.E. at (407) 493-9983 or by e-mail at: mchgalu@aol.com.

ADDENDUM MESSAGE

The following clarifications and/or changes become hereby a part of this bid and shall be included in the Contractor's Bid Prices:

The following are responses to questions received by the Town:

1. Plan sheet 3 typical section indicated milling and resurfacing. Will a pay item be added for this work or will typical be removed?

The Sheet 3 Typical Section for West Second Avenue, which included a reference to milling and resurfacing, is **NOT** including in the project construction. The Typical Section reference was specifically for the permitting of the project through the South Florida Water Management District. Portions of West Second Avenue will be permitted as part of the First Avenue and Forest Street Drainage Improvements project, even though the West Second Avenue roadway improvements will be constructed by the Town of Windermere in the future. The typical section will remain in the contract documents, but for reference only.
