## Addendum #2

### Response to RFI/Change Due Date

Q. How many consultants will there be selected for this particular solicitation.

A. One, as noted in the RFQ.

Q. In reviewing the insurance requirements listed on page 3 of the Contract Agreement (Attachment A), it appears that the requirement of listing the Town as additional insured is applicable to all policies and we are definitely able to do this on our General Liability, Auto, and Umbrella; however, our insurance company cannot add the Town as additional insured on the Workers Comp or the Professional Liability policies. Is it possible to revise the insurance criteria to exclude these two policies so that the requirements can be satisfied?

A. We will review the request, although for now the requirement stands as noted in the RFQ.
